

# Spring Nuudle Decorations

Delightful foam decorations are a snap for the whole family to put together! Use Magic Nuudles to decorate eggs, create centerpieces, or embellish placecards and invitations. Ages 3+.

## Supply List:

**1 bag of Pastel Magic Nuudles**  
**Pre-cut cards to decorate**  
**Safety scissors or plastic picnic knife**

**Damp sponge**  
**Crayons**  
**Dyed eggs**

**To decorate eggs:** Touch Nuudles to sponge and press firmly to the surface of the egg. Nuudles may be cut in half with safety scissors or plastic knife. Combine with crayons for desired effect.

**To make the flowers:** Moisten and stick Nuudles to form a ball. Stick two or three green Nuudles end-to-end to make the stem. Attach flower head to stem and make leaves by flattening Nuudles. Experiment with different flower shapes and color combinations.

**To form foam bunny:** Make a round face with white Nuudles. Flatten Nuudles and layer (as in picture) to make eyes and ears. Add a pink nose and whiskers. Make body and use half a Nuudle to make the tail.

**To decorate cards:** Write message on card, then color background with crayons. Use extra Nuudles or flowers to finish decorating front for 3-D pop-up effects.
